**21st Annual National Principals Leadership Institute Finding the Courage to Make the Difficult Decisions** With great frequency, leaders face dilemmas, challenging situations and what seems to be a set of equally poor choices. These are the times when leadership shows its true colors, when decisions come with risk or unpopularity, when courage is essential. These are the moments when things are not “black or white” but varying degrees of “grey.” Or, are they? NPLI 2018 will ask participants to reflect on difficult decisions they made in their professional and personal lives. What made those decisions difficult? How were the dilemmas resolved? Based on their experiences, can they share some advice?

<https://www.npli.org/#designing-schools-for-the-future>

Date: July 15 – 18

Location: Dublin, Ireland
