ARTICLE 1: GENERAL ITEMS

1.1 Purpose

The intent and purpose of the parties to this Agreement (hereinafter referred to as this Agreement) is to promote and improve the working relations between the Board and the Teachers' Association; to establish a salary schedule and other conditions of employment resulting from the operation of the said schedule; and to provide a basis for both parties to improve the professional and academic services rendered to the taxpayers and the children of the Pembina Trails School Division.

1.2 Per Diem

Whenever used in this Collective Agreement per diem shall mean the fraction that one school day bears to the total number of school days as prescribed by the Minister in any given school year.

1.3 Board Association Council on Education

The Division and the Association recognize the value and acknowledge the mutual benefits to be derived from effective communication between trustees, senior administration and professional teaching staff. The Division and the Association recognize the advantages of having a joint committee where teachers, Division senior administration and trustees discuss perspectives on policies, practices, programs and services.

1.4 Effective Period

This Agreement shall come into force and take effect on July 1st, 2018 and shall remain in force until June 30th, 2022. In order to amend this Agreement, written notice, by registered mail, must be given by one party no later than 30 days prior to the end of the present Agreement. Agreement or amendment on which negotiations are begun prior to July 1st, 2022, shall be effective from July 1st, 2022, unless otherwise specified.

ARTICLE 2: QUALIFICATIONS/EXPERIENCE AND PLACEMENT ON SALARY SCHEDULE

2.1 Educational Qualifications

Except as otherwise qualified in this Agreement, the classification accorded the teacher by Manitoba Education pursuant to Manitoba Regulation 115/2015 and subsequent amendments shall be used to determine the class in the "Basic Salary Schedule."

2.2 Previous Experience

Except as otherwise qualified in this Agreement, for purposes of this Article, years of completed experience shall be the same as the years of completed experience as determined by Manitoba Education *Verification of Classification and Experience*.

2.3 **Letter of Authority and Permit**

Teachers lacking professional training are to be paid at scale one class equivalent below the class these teachers would be in had they received professional training.

2.4 **Industrial Arts Teachers**

- (a) The Board may award a Class IV standing to Industrial Arts Teachers holding a B. Sc. in Industrial Arts if it deems the qualifications to be closer to a P1A4 rating than to a P1A3. (Note: these circumstances tend to arise in respect to American degrees where education subjects are undergraduate rather than graduate as in the case in Manitoba).
- (b) Where acceptable to the Board, each three years of non-teaching experience related to the duties of the Industrial Arts Teacher may be counted as one-year teaching experience up to (but not beyond) the maximum as determined in Article 3.1.

2.5 **Increased Qualifications**

- (a) Each teacher in Classes I, II, III, IV, V, VI who increase educational qualifications which result in placement in a higher classification shall be placed at the same step of the schedule where placed in the previous classification provided that:
 - (i) prior to commencing a program leading to increased qualifications the teacher gives written notice to the Division of intention to do so, and
 - (ii) the Division does not, within sixty (60) days of receipt of such notice, advise the teacher, in writing, that in its considered opinion such improved qualifications would not be of benefit to the educational needs of the Division.

If the teacher does not so notify the Division, or if, after the teacher has notified the Division, the Division advised the teacher as aforesaid, that teacher shall, when placed in a higher classification resulting from increased qualifications, be placed on the step of the schedule resulting in a rate of pay nearest to but not less than the rate of pay received prior to the improved qualifications.

- (b) When the Secretary-Treasurer is in receipt of a *Verification of Classification* from Manitoba Education, on behalf of a teacher who has improved qualifications, the effective date of the increased salary shall be the date verified to the Manitoba Education as set out in the *Verification of Classification*. Where the date verified to Manitoba Education as set out in the *Verification* falls during July or August, such increase shall become effective on the September 1, immediately following.
- (c) The onus to file evidence to Manitoba Education is exclusively the obligation of the teacher including relations with third parties. The Division bears no responsibility nor liability for any failure on the part of third parties to provide

experience information or do any other thing with respect to the process of a teacher's increased qualifications.

2.6 Increments

The following provisions are to come into effect on and from the 1st day of the Fall Term, 2004:

1. Initial Placement

- a) At commencement of the start of any contract (Form 2, Teacher-General) or start of any successive term contract (Limited Term Teacher-General) each teacher shall be placed on the step of the salary schedule in accordance with the classification and years of experience as recognized and reported by Manitoba Education as at June 30th of the prior year.
- b) Should the commencement of the contract occur at a time other than at the start of the Fall Term, such newly contracted teacher shall receive credit for experience which would be recognized by Manitoba Education (save and except for experience as a substitute teacher while not on a Form 2 or Teacher General or Limited Term Teacher-General Contract) which experience would have been obtained in the school year after the June 30th last recognized and reported by Manitoba Education. In order to recognize this experience for purposes of initial placement, the following criteria must be met:
 - i) The recognizable experience must relate to a period subsequent to the last June 30 reporting date for experience from Manitoba Education;
 - ii) The experience must be recognizable by Manitoba Education as experience;
 - iii) The experience must have been acquired while under a Form 2 or Teacher General or Form 2A or a Limited Term Teacher-General Contract;
 - iv) The experience must have been obtained with a Manitoba School Division;
 - v) A letter confirming the number of days taught under contract for the relevant period must be provided from the Division in which the experience was obtained. The onus shall rest solely with the teacher to provide such letter of confirmation.
- c) Where the term "experience" is used in this article it shall be experience recognized by Manitoba Education.

2. Full-Time Teachers

(a) Each full-time teacher shall proceed to the next step of the Basic Salary Schedule in accordance with the provision of this article at the Teacher Increment Date (T.I.D.) until the maximum step has been reached. The teacher increment date shall be defined as the date when any teacher shall move from one step on the Basic Salary Schedule to the next higher step on the Basic Salary Schedule until the maximum step has been reached.

b) Initial Teacher Increment Date (T.I.D.)

Following the initial placement at the commencement of a contract, a Teacher Increment Date (T.I.D.) will be established for each teacher. The T.I.D. shall be at the start of the month following the accumulation of a further 180 F.T.E. days of experience counting as part of that 180 F.T.E. days, any carryover days (partial years experience) as recognized and reported by Manitoba Education as at the prior June 30th and further counting any additional days of recognizable experience as contemplated under Article 2.6.1 (b) above.

c) Subsequent T.I.D.s

i) Each full-time teacher's T.I.D. shall fall on the anniversary date of the initial T.I.D. provided that the teacher has completed at least 180 F.T.E. days experience as recognized by Manitoba Education between the most recent T.I.D. and the next scheduled T.I.D.

ii) In the event that a full-time teacher has not accumulated at least 180 F.T.E. days of experience by the next scheduled T.I.D., the date of that T.I.D. shall be deferred and rescheduled to the first day of the month following completion of 180 F.T.E. days of experience. The deferred T.I.D. shall become the regularly scheduled T.I.D. subject to further deferral pursuant to this sub-section.

d) Definitions

i) A full-time teacher is a teacher who is under contract to teach each complete school day in any school year.

ii) A full-time teacher who takes an unpaid leave of absence during a school year or a temporary contract reduction within a school year on a temporary basis shall be considered as a full-time teacher for purposes of this article.

iii) Full-time teachers whose contracts are permanently reduced to less than full-time shall be classified as part-time teachers for the purpose of this article commencing with the school year when such permanent contract reduction commences.

iv) F.T.E. shall mean full time equivalent.

3. Part-Time Teachers

- a) Each part-time teacher shall proceed to the next step of the Salary Schedule in accordance with the provision of this article on the T.I.D. until the maximum step has been reached.
- b) Following the initial placement at the commencement of a contract a Teacher Increment Date (T.I.D.) shall be established for each teacher. The initial T.I.D. shall be determined including, in the count, any carryover days (partial years experience) as recognized and reported by Manitoba Education as at the prior June 30 and further counting any additional days of recognizable experience as contemplated under Article 2.6.1 (b) above.
- c) Subsequent T.I.D.s
 - i) Each part-time teacher's T.I.D. shall fall on the anniversary date of the initial T.I.D. provided that the teacher has completed at least 25 F.T.E. days experience from the date of the previous T.I.D. to the next anniversary of the T.I.D. In the event that a part-time teacher does not complete at least 25 F.T.E. days experience between the date of the previous T.I.D. and next anniversary of the T.I.D., the next T.I.D. shall be deferred until the start of the month following the accumulation of 25 F.T.E. days experience.
 - ii) In the event that a part-time teacher has not accumulated the minimum number of days as required in Article 2.6.3(c)(i) to qualify to move to the next step on the Salary Schedule on the next scheduled T.I.D., the date of that T.I.D. shall be deferred and rescheduled to the first day of the month following accumulation of the minimum number of days as required in Article 2.6.3(c)(i). The deferred T.I.D. shall become the regularly scheduled T.I.D. subject to further deferral pursuant to this sub-section.
- d) Definitions

(v) F.T.E. shall mean full time equivalent.

4. Reversion of Part-Time Teachers

- a) Part-time teachers who are reclassified as full-time teachers for purposes of this article shall have their step on the Basic Salary Schedule reverted to the step on which they would be placed had they been full-time since the commencement of employment.

4.9 Layoff

- a) When it is determined by the Board that a layoff is necessary and where natural attrition, transfers and leaves of absence do not effect the necessary reduction in staff, the Board shall give first consideration to retaining teachers having the greatest length of service with the Board.
- b) Notwithstanding the foregoing, the Board shall have the right to disregard the length of service of any teacher in the event of a layoff, if such teacher does not have the

necessary training, academic qualifications, experience and ability, for a specific teaching assignment within the Division.

c) Definitions

- i) Training: Instruction received as preparation for the profession of teaching which instruction leads to the development of a particular skill or proficiency with respect to a particular subject or subjects.
 - ii) Academic Qualifications: Refers to the classification in which a teacher is placed by the Teacher Certification and Records Branch of Manitoba Education.
 - iii) Experience: The practical application of the training over a period of time with respect to the particular subject or subjects.
 - iv) Ability: A teacher's demonstrated skill and competence to perform a particular teaching assignment satisfactorily and proficiently after having acquired the necessary training, academic qualifications and experience.
 - v) Length of Teaching Service: The teacher's length of continuous employment with the Board commencing with the first teaching day after one's most recent day of hiring with the Board. Approved leaves of absence shall not constitute a break in continuity of service.
 - vi) Specific Term Contract: A contract, either verbal or written, whereby a teacher is hired to teach a specific subject or subjects for a specific term during all or any part of a school year.
 - vii) School Year: The period of time from the commencement of a school term on or about the 1st day of September of a particular year to the end of the term in the month of June next following.
- d)
- i) In the event of an impending layoff, the Board shall meet with the Executive of the Association to discuss the implications of the layoff and shall provide the Association with a list of teachers to be laid off. The meeting shall be held no later than the 15th day of April in any school year.
 - ii) The Board shall maintain a seniority list showing the date upon which each teacher's service commenced and the total length of service for the purpose of determining seniority.

- i) The teacher's length of continuous employment, with the Board commencing with the first teaching day after one's most recent day of hiring with the Board.
 - ii) Where teachers have the same length of continuous employment with the Board, the length of teaching service shall be determined on the basis of total teaching experience in the Division.

- iii) Where teachers have the same length of service as in (ii) the length of teaching experience shall be determined on the basis of total recognized teaching experience.
- iv) Where teachers have the same length of service as in (iii) the length of teaching service shall be determined on the basis of total recognized teaching experience in Manitoba.

- f) Notice of any layoff shall be given to the teachers no later than the 15th day of May in any school year.
- g) i) If, after layoffs have occurred and for a period of two (2) calendar years after the 30th of September following the date of layoff, positions become available, teachers who have been laid off and have given written notice that they wish to be recalled, shall be offered the positions first, providing such teachers have the necessary training, qualifications, experience and ability for the position available. Length of service with the Board will be used to determine the order in which laid off teachers are offered the available positions, provided that the said teachers have the necessary training, qualifications, experience and ability.

ii) aa) Teachers with One Full School Year or Less

Where a teacher employed under a Teacher-General Contract for a full school year or less and as a result of this article that teacher's contract has been terminated and that teacher is subsequently signed to a new Teacher-General Contract then that teacher's length of service for determining layoff will be retroactive to the first teaching day under the previous Teacher-General Contract with the Division provided that employment is continuous.

For the purpose of this article continuous employment is employment with the Division where there is no break in service. For further clarity summer, spring and winter breaks will not constitute a break in service provided that teacher has a Teacher-General Contract in force and effect on the last teaching day of the summer, winter or spring break and a Teacher-General Contract in force and effect on the first teaching day following that break.

bb) Teachers Employed Under a Limited Term Teacher-General Contract

Where a teacher on a Limited Term Teacher-General Contract becomes employed under a Teacher-General Contract, without a break in service, then the length of service for determining layoff will be retroactive to the start date of the first continuous Limited Term Teacher-General Contract signed with the Pembina Trails School Division (or either of its predecessor Divisions).

For the purpose of this clause a continuous Limited Term Teacher-General Contract will be employment with the Division under a Limited Term Teacher-

General Contract where there is no break in service between one Limited Term Teacher-General Contract and another Limited Term Teacher-General Contract or Teacher-General Contract. For further clarity, the summer, winter and spring breaks will not constitute a break in service provided that teacher has a contract in force and effect on the last teaching day of the summer, winter or spring break and a Limited Term Teacher-General or Teacher-General Contract in force and effect on the first teaching day following that summer, winter or spring break.

- h) Each teacher shall keep the Board informed as to his/her current address.
- i) Teachers shall be recalled by registered mail and must reply by registered mail within fourteen (14) days of receiving the letter of recall. Failure to contact the Board shall result in the loss of all recall rights. If a teacher refuses a position for which that employee is qualified, such teacher shall lose all rights for recall.
- j) If a teacher is recalled as provided in (i) above, the following will not be affected:
 - i) accumulated sick leave gained prior to being laid off, but sick leave shall not be accrued for the period of time of the layoff;
 - ii) seniority gained prior to being laid off, but seniority shall not be accrued for the period of time of the layoff.
- k) A teacher shall lose seniority for any of the following reasons:
 - i) the teacher resigns;
 - ii) the teacher becomes employed by another school board except in the case of employment under a limited term contract;
 - iii) the teacher fails to return to work after the termination of any leave granted by the Board;
 - iv) the teacher is not re-employed within two (2) calendar years after September 30 following the date of layoff;
 - v) the teacher's contract is terminated for cause;
 - vi) any teacher on the re-employment list who refuses to accept a position for which the teacher has the necessary training, academic qualifications and ability to perform the work in the offered position, shall forfeit all rights of seniority and re-employment. A teacher who has lost his/her right of recall/re-employment as a result of the application of this clause shall be notified as soon as possible that his/her teaching contract has been terminated.
- l) Notwithstanding any other provisions of this article, the foregoing layoff provision shall not apply to a teacher continuously employed by the Board under an approved form of agreement for a full school year or less, as defined by the Minister by regulation, or to a teacher employed on a limited term contract not to

exceed one (1) school year where during that term the teacher is employed on the express written understanding that the teacher's employment with the Board will cease at the end of such term, provided however, no teacher shall be laid off who has been employed by the Board under an approved form of agreement for more than one (1) full school year as defined by the Minister by regulation, where a teacher with a full school year or less of employment under an approved form of agreement or a limited term contract not to exceed one (1) school year has not been laid off, having regard to the necessary training, academic qualifications and ability required for a specific teaching assignment of such teacher employed under a limited term contract of a teacher continuously employed by the Board under an approved form of agreement for a full school year or less as defined by the Minister by regulation.

In the event of the failure of the first two mentioned members of the Board to agree upon the selection of a chairperson the matter shall be referred by them to the Manitoba Labour Board who shall choose the chairperson.

Dear Ashleigh:

RE: **Letter of Administration: Method of Payment**

This Letter of Administration sets out provisions and practices with respect to Article 3.2: Method of Payment.

1. On or before the last business day of the month of June, in any year, Teachers who fall into one of the categories set out below shall be paid the difference between the annualized salary earned during the school year and all amounts paid prior to that date. The amount of the annualized salary earned by any teacher shall be determined by taking the total days taught by a teacher as a proportion or percentage of the total teaching days in the Fall and Spring Terms as prescribed by the Minister of Education multiplied by the annualized salary rates in effect during the school year. This provision applies to:
 - (a) Teachers signed to a Teacher General Contract or equivalent whose employment with the Division is terminated in June of any year;
 - (b) Any Teacher signed to a Limited Term Teacher Contract;
 - (c) Any other circumstance where a reconciliation is required, including payment on or before June should the reconciliation warrant it.
2. Teachers on a Teacher General Contract or equivalent who are continuing employment into the subsequent school year shall be paid, during July and August, the difference between the annual salary earned for the school year just ended and

all amounts paid to June 30 of the school year ending as set out in paragraph 1 above. The difference shall be paid equally over four (4) semi-monthly salary payments during July and August on the dates set out in Article 3.2(b) of the Collective Agreement.

3. Teachers receiving maternity leave or parental leave top up payments shall be paid the top up payments monthly on the last business day of the month during the months when the Teachers are eligible to receive them.
4. The payment dates of the fifteenth (15th) day of each month and the last business day of each month as set out in Article 3.2(b) are made without exception to the month in which the payments are being made.
5. Normally, any benefit deductions that are required will be deducted from each pay. The full parking fees will, normally, be deducted from each pay from September through June.

Yours faithfully,

Craig M. Stahlke, CMA, FCMA
